## **ADVANCE ACADEMY – 2024-2025 Application Guidelines and Procedures**

At Advance Academy, we use a multi-therapeutic approach to education where speech, occupational, physical, and music therapies are part of every student's curriculum, with emphasis on academic and social skills development. Using Applied Behavior Analysis (ABA) methodology, we have created a unique environment in which our small student-teaching team ratio allows intense and specialized instruction for every student, fostering the best possible outcome for each individual. **The school term at Advance Academy runs year-round, from August through July.** School hours are 9:00-3:00, Monday – Friday.

The Advance Academy application is comprehensive so that we can best assess MRCA's capacity to meet the needs of your child. Please submit the entire application at one time, acknowledging that the Physician Recommendation Form may be submitted separately by the physician and that the Teacher Questionnaires are to be submitted separately by the teacher. Please feel free to submit any additional assessment results, reports, etc., that you feel may be of value to our evaluation. Your completed application should be submitted along with a non-refundable application fee of \$50. **PARTIAL APPLICATIONS WILL NOT BE REVIEWED.**

### **2024-2025 APPLICATION CHECKLIST – A complete application includes:**

- \_\_\_\_\_ Application fee (\$50)
- \_\_\_\_\_ Family Documentation
- \_\_\_\_\_ Complete Copy of Most Current IEP
- \_\_\_\_\_ Complete Copy of Most Current BSP (*Behavioral Support Plan*) if applicable
- \_\_\_\_\_ Complete Copy of Most Recent Psychological Evaluation (3 years or fewer)
- \_\_\_\_\_ Quality of Life Indicator Index
- \_\_\_\_\_ Physician Recommendation (may be submitted separately)
  - \_\_\_\_\_ Current Immunization Record
- \_\_\_\_\_ Most recent ABA Treatment Plan, if applicable
- \_\_\_\_\_ Two (2) Teacher Questionnaires (to be submitted separately by teacher)

The completed application will be reviewed by the Admissions Committee only after all required documentation has been received, including the Application Fee, the Physician's Recommendation Form, Aand Teacher Questionnaires. The parent will be contacted after the application review and advised whether the student appears to qualify for admission and if Advance Academy is an appropriate placement for the student. If an applicant meets admission guidelines and an opening is available, an observation is scheduled to allow MRCA school

personnel an opportunity to observe the student in his or her current classroom setting. This can be dictated by time of year, as observations cannot generally be done during the summer months. This observation in many cases confirms whether the student and Advance Academy are an appropriate match for one another. An additional observation at Advance Academy will be required if the student continues to be eligible for admission.

Admission to Advance Academy does not occur on a first-come, first-serve basis. Admissions are determined based on a number of factors, including but not limited to the information provided in the application, student observation results, identified student support requirements, and MRCA staff's capacity to meet the student's support needs. Classroom composition is another consideration during the admissions process. Qualifying applicants who are not initially admitted are added to our 9-month waiting list.

**FEES AT A GLANCE** – Application Fee, \$50; Non-refundable Registration Deposit or Re-enrollment Fee, \$100; 2024-2025 Annual Tuition, \$17,170; Supply Fee \$150. Advance Academy does not provide After School Care.

### **Wait List**

Things can change quickly in the academic and behavioral realms of students on the autism spectrum, and because openings are not routine, an application for a student who qualifies for admission is considered active for only **nine (9) months**. If an opening occurs within the nine-month time frame, the parent will be notified and any updates to the student's application can be made at that time. An additional observation may be required prior to offering the opening for parental consideration.

Students not admitted but who still want to attend Advance Academy must re-apply for admission in subsequent years.

Applications no longer considered active and/or older than nine months are disposed of by shredding.

### **Post-Application Communications**

After the Admissions Committee has reached a decision concerning your child's placement, you will be notified via phone and/or email. If placement at Advance Academy is offered, the invitation must be accepted or declined by the student's parent/legal guardian within two weeks of the date of notification. **Acceptance may be verbal or written but must be accompanied by a non-refundable \$100 placement deposit.** Your child's position in our student body is not guaranteed until the placement deposit is received. If an invitation for placement has not been accepted within two (2) weeks of offer, the placement opening may be released to another applicant. MRCA has no obligation to initiate further communication with the applicant or their family when the two-week period expires without notice to accept or decline by the applicant's parent/legal guardian.

**Tuition – Annual tuition for the 2024-2025 Academic Year is \$17,170.**

MRCA is a provider for the Georgia Special Needs Scholarship program. For information about GSNS, please visit the GA Dept. of Education web site, <http://www.gadoe.org/External-Affairs-and-Policy/Policy/Pages/Special-Needs-Scholarship-Program.aspx> . To view your child's scholarship award, click on *Scholarship Calculator* on the right-hand side of the web page.

Scholarship awards for the upcoming school term are viewable in mid-July through May. Limited needs-based assistance is available to families and may be applied for using the *2024-2025 Tuition Assistance Request* form. Tuition Assistance Request forms should be submitted by June 1 for consideration. MRCA's Board of Directors makes every effort to ensure that any child who will benefit from enrollment at Advance Academy is able to do so, regardless of a family's financial position.

Tuition may be Paid-in-Full at the beginning of the year (3% discount), or over the course of the year as determined at the time of initial invoicing. A parent must furnish the appropriate credit card or ACH information by which tuition can be charged monthly unless alternate arrangements have been made. Tuition is due on the 15th day of each month, beginning August 15. If a tuition payment is declined, *the parent has until the 20<sup>th</sup> day of the month to call the school* and make alternate payment arrangements, or the student may not be permitted to attend classes until payment of fees is current.

**FINANCIAL OBLIGATION IF A STUDENT WITHDRAWS DURING THE SCHOOL TERM:**

NOTE: ***There will be no waiver of tuition or fees, and there is no refund or abdication of responsibility to pay full tuition balance in the event of voluntary withdrawal.*** Should extenuating circumstances occur that would require a long-term absence or involuntary withdrawal of a student (medical treatment, transfer of parent, "Ineligible by Exclusion", etc.), these circumstances will be reviewed by the President/CEO for the appropriate disposition.

**Georgia Special Needs Scholarship - ([GSNS/SB10](#))**

If a student's voucher under the GSNS program fails to cover the entire amount of the annual tuition, the parent or guardian is responsible for any outstanding balance. Should a parent voluntarily withdraw the student leaving an outstanding balance against the tuition, *the parent assumes responsibility for the entire tuition balance since GSNS will not pay for a student who is no longer enrolled.*
